

SFTP Project — Issues Summary (open workable items)

Revision: 1 **Last modified:** 2026-07-11T15:23:48Z

One-line-per-item view of docs/Issues.md, regenerated whenever Issues.md changes (§11.4.12 / §11.4.53 parity discipline). Open items only — closed items live in docs/Fixed_Summary.md. Descriptions follow §11.4.91 clarity mandate (subject + goal, never section labels). Sort: stream number ascending.
